講義の目的・内容	This course will build on the work done in the first semester and further enable students to analyze and understand authentic news articles. Also, students will be able to research and write new news articles on a topic of their choice, and present their final articles to the group. Students will be further equipped with the skills to develop a story, interview people, use quotations, and write up their findings in the form of a newspaper article. Each lesson, students will complete a series of tasks to help develop their knowledge of research, journalism and writing.
到達目標	1] Students will be able to analyze and understand authentic news articles. 2] Students will be able to research, write and give a presentation on their own news article. 3] Students will be able to develop writing, speaking, reading, and listening skills. 4] Students will be able to self and peer edit.
評価の方法・基準	Assessment will be based on 2 news article projects (40%), final exam (20%), reporter's notebook work (20%), class performance (10%) and attendance (10%). Final grades will be based on the following scoring system: A : 100-80 points B : 79-70 points C : 69-60 points
